CARDENAS PONCE

Gazette médicale de Paris Simon and Schuster

In this text, Ian Hacking offers his reflections on the philosophical uses of history. The focus is the historical emergence of concepts and objects.

Artificial Insemination in Farm Animals Random House

Homosexual Rites of Passage: A Road to Visibility and Validation will help you, as a gay or lesbian individual, work through identity issues, come out, and become visible in a healthy and safe manner. You will find this unique book to be an excellent resource for validation and support during your courageous acts of personal growth. Furthermore, you will discover a positive affirmation of homosexual identities as well as issues that impede or prevent your positive homosexual identity formation.

Homosexual Rites of Passage facilitates your journey toward visibility and personal validation by naming fear and shame as obstacles of your growth and describing affirming homosexual rites of passage so that you will not feel alone in your journey through life. Throughout *Homosexual Rites of Passage*, you will explore the essential relationship between homosexual identity development and rites of passage, or life experiences or events that mark emotional, familial, and growth transitions in your life and that they are different for homosexuals than for heterosexuals. Compelling and informative, this important book discusses how homophobia and homosexuals' internalized shame often cause these rites of passage to be ignored or not considered valid rituals for gay men and lesbians. You will find helpful and insightful ideas in this informative book to help you affirm your homosexual identity, such as: discovering the definitions of the stages of homosexual identity formation and their significance in defining your view of self and others examining outlines and descriptions of obstacles that prevent positive homosexual identity development, such as fear, shame, and guilt learning to address the role and significance of rites of passage in creating personal identity and space analyzing the description of rites of passage that is specific to the homosexual community and that covers developmental milestones from birth to death, such as coming out or choosing a life partner *Homosexual Rites of Passage* will assist your homosexual identity development through the celebration of homosexual rituals and rites of passage in a positive effective way. This valuable book addresses the issues that may impede your positive homosexual identity development and provides you with strategies to heal wounded and shamed identities, as well as providing you with a thorough description of homosexual rites of passage to help you understand and validate your homosexual identity.

Historical Ontology Penguin UK

"Like man, woman is a human being." When *The Second Sex* was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration. The *Independent Woman* contains three key chapters of Beauvoir's masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.

Glocal Pharma (Open Access) Le Lys Bleu Éditions

This volume is the first book-length study devoted to gossip in early modern France. Whereas many works that focus on other countries and periods have concentrated on the relationship between gossip and women, none has explored the crucial link between gossip and same-sex desire. Using material that has never been published before and touching on different social spheres, from valets to the immediate circle of Louis XIV, the author reveals a world radically different from the traditional image of France under the reigns of Louis XIII and Louis XIV. An in-depth analysis of the theory and practice of gossip is followed by an examination of songs, poems, memoirs, letters and anecdotes from the time, bringing the milieu of what was known as 'the Italian vice' vividly to life. The book concludes by bringing these insights on gossip to a refreshing new reading of one of the period's groundbreaking novels, Marie-Madeleine de Lafayette's *La Princesse de Clèves*.

Emotional Intelligence Routledge

"I fell in love the way you fall asleep: slowly, then all at once."

Despite the tumour-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support

Group, Hazel's story is about to be completely rewritten. Insightful, bold, irreverent, and raw, *The Fault in Our Stars* brilliantly explores the funny, thrilling, and tragic business of being alive and in love. Praise for *The Fault in Our Stars*: Sunday Times (Culture) 'A touching, often fiercely funny novel' The Sun on Sunday (Fabulous Magazine) 'So good I think it should be compulsory reading for everyone!' Daily Express 'John Green brilliantly captures the voices of a young generation while instilling it with the wisdom of a life that has lived too much yet will never live enough' The Metro - 2013 Best Fiction 'The love affair of two terminally ill teenagers could be mawkish. In fact, it's funny, clever, irreverent and life-affirming.' Grazia 'So good!' Good Housekeeping 'As funny as it is heartbreaking... we defy you not to fall in love with its main characters, Hazel and Augustus.' The Tablet 'A humorous and poignant love story... It's terrifically make you think, laugh and maybe even fall in love yourself!' *The Standard Edition of the Complete Psychological Works of Sigmund Freud Vol. 9 (1906-1908)* Modern Library

Do you want to be more successful at work? Do you want to improve your chances of promotion? Do you want to get on better with your colleagues? Daniel Goleman draws on unparalleled access to business leaders around the world and the thorough research that is his trademark. He demonstrates that emotional intelligence at work matters twice as much as cognitive abilities such as IQ or technical expertise in this inspiring sequel.

Cynicism and Christianity in Antiquity Simon and Schuster This classic edition of *The Basic Writings of Sigmund Freud* includes complete texts of six works that have profoundly influenced our understanding of human behavior, presented here in the translation by Dr. A. A. Brill, who for almost forty years was the standard-bearer of Freudian theories in America. • *Psychopathology of Everyday Life* is perhaps the most accessible of Freud's books. An intriguing introduction to psychoanalysis, it shows how subconscious motives underlie even the most ordinary mistakes we make in talking, writing, and remembering. • *The Interpretation of Dreams* records Freud's revolutionary inquiry into the meaning of dreams and the power of the unconscious. • *Three Contributions to the Theory of Sex* is the seminal work in which Freud traces the development of sexual instinct in humans from infancy to maturity. • *Wit and Its Relation to the Unconscious* expands on the theories Freud set forth in *The Interpretation of Dreams*. It demonstrates how all forms of humor attest to the fundamental orderliness of the human mind. • *Totem and Taboo* extends Freud's analysis of the individual psyche to society and culture. • *The History of Psychoanalytic Movement* makes clear the ultimate incompatibility of Freud's ideas with those of his onetime followers Adler and Jung.

The Pleasures of Summer C. Scott Publishing

Is IQ destiny? Not nearly as much as we think. This fascinating and persuasive program argues that our view of human intelligence is far too narrow, ignoring a crucial range of abilities that matter immensely in terms of how we do in life. Drawing on groundbreaking brain and behavioral research, Daniel Goleman shows the factors at work when people of high IQ flounder and those of modest IQ do well. These factors add up to a different way of being smart -- one he terms "emotional intelligence." This includes self-awareness and impulse control, persistence, zeal and self-motivation, empathy and social deftness. These are the qualities that mark people who excel in life, whose relationships flourish, who are stars in the workplace. Lack of emotional intelligence can sabotage the intellect and ruin careers. Perhaps the greatest toll is on children, for whom risks include depression, eating disorders, unwanted pregnancies, aggressiveness and crime. But the news is hopeful. Emotional intelligence is not fixed at birth, and the author shows how its vital qualities can be nurtured and strengthened in all of us. And because the emotional lessons a child learns actually sculpt the brain's circuitry, he provides guidance as to how parents and schools can best use this window of opportunity in childhood. The message of this eye-opening program is one we must take to heart: the true "bell curve" for a democracy must measure emotional intelligence

The Independent Woman Univ of California Press

The Open Access version of this book, available at <http://www.tandfebooks.com>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 3.0 license. An exploration of how global pharmaceutical products

are localized - of what happens when they become 'glocal' - this book examines the tensions that exist between a global pharmaceutical market and the locally bounded discourses and regulations encountered as markets are created for new drugs in particular contexts. Employing the case study of the emergence, representation and regulation of Viagra in the Swedish market, *Glocal Pharma* offers analyses of commercial material, medical discourses and legal documents to show how a Swedish, Viagra-consuming subject has been constructed in relation to the drug and how Viagra is imagined in relation to the Swedish man.

Engaging with debates about pharmaceuticalization, the authors consider the ways in which new identities are created around drugs, the redefinition of health problems as sites of pharmaceutical treatment and changes in practices of governance to reflect the entrance of pharmaceuticals to the market. With attention to 'local' contexts, it reveals elements in the nexus of pharmaceuticalization that are receptive to cultural elements as new products become embedded in local markets. An empirically informed study of the ways in which the presence of a drug can alter the concept of a disease and its treatment, understandings of who suffers from it and how to cure it - both locally and internationally - this book will appeal to scholars of sociology and science and technology studies with interests in globalization, pharmaceuticals, gender and the sociology of medicine.

The Little Book Of Philosophy Medieval and Early Modern French Studies

The New York Times bestselling author of the *Tangled* books returns with the third standalone romance in the *Legal Briefs* series, a collection of sexy novels about first crushes, second chances, and the final verdict of the heart. When Brent Mason looks at Kennedy Randolph, he doesn't see the awkward, sweet girl who grew up next door. He sees a self-assured, stunning woman...who wants to crush the most intimate—and prized—parts of his anatomy beneath the heels of her Louboutins. When Kennedy looks at Brent, all she sees is the selfish, Abercrombie & Fitch catalogue-worthy teenager who humiliated her in high school in order to join the popular crowd. A crowd that made those years a living hell for her. But she's not a lovesick social outcast anymore—she's a Washington, DC, prosecutor with a long winning streak. Brent is the opposing attorney in her next case, and Kennedy thinks it's time to put him through a little hell of his own. But things aren't exactly working out the way she planned. Brent has his sights set on Kennedy, and every fiery exchange only makes him want her more—and makes her wonder if he's as passionate in the bedroom as he is in the courtroom. In the end, they may just find themselves in love...or in contempt of court.

The Psychological Foundations of Culture HarperCollins

It is a close study of four novels by Boris Vian. It aims to show how *L'Écume des jours*, *L'Automne à Pékin*, *L'Herbe rouge* and *L'Arrache-cœur* form a unified and coherent tetralogy. By establishing close links between these four texts, it becomes possible to achieve a more comprehensive understanding, not only of the significance of the tetralogy in exposing a complex and multi-layered novelistic strategy at the heart of the vianesque, but of the individual novels as autonomous creations. An examination of the novels reveals that they are not merely joined to one another via a superficial network of textual similarities (that which I refer to as intratextuality), but that this intertwining is emblematic of a common method of narrative construction. Each Vian novel is dependent, for a thorough understanding of the text to be possible, upon the multiple lines of external influence running through it. The sources of this influence (which I refer to as intertextuality) are located in various major texts of twentieth century literature, anglophone as well as francophone. Thus, in each instance the narrative is driven by a complicated interaction of intratextuality and intertextuality."

Bulletin signalétique La Musardine

White Poison is probably the strongest and most reasonable appeal ever addressed to the African continent, for its spiritual liberation, and therefore its real independence. With non refutable historical facts, the author calls upon his African brothers and sisters to break down the chains in which colonial christian Europe still oppresses them. He encourages them to find back the glory and the values of their own ancestral spiritual heritage. This book has the power to revolutionize spiritual life in Africa. This book is a new religious message which offers to Africans the keys for their real spiritual decolonization, a real new authentic gospel for Africa. An intense call for Africa to wake up. You read it, and you will never again be the same.

The Cynics Taylor & Francis US

Artificial insemination is used instead of natural mating for reproduction purposes and its chief priority is that the desirable characteristics of a bull or other male livestock animal can be passed on more quickly and to more progeny than if that animal is mated with females in a natural fashion. This book contains under one cover 16 chapters of concise, up-to-date information on artificial insemination in buffalos, ewes, pigs, swine, sheep, goats, pigs and dogs. Cryopreservation effect on sperm quality and fertility, new method and diagnostic test in semen analysis, management factors affecting fertility after cervical insemination, factors of non-infectious nature affecting the fertility, fatty acids effects on reproductive performance of ruminants, particularities of bovine artificial insemination, sperm preparation techniques and reproductive endocrinology diseases are described. This book will explain the advantages and disadvantages of using AI, the various methodologies used in different species, and how AI can be used to improve reproductive efficiency in farm animals.

Multicultural Social Work Practice Kayemb Uriel Nawej

When teenagers began hanging out at the mall in the early 1980s, the movies followed. Multiplex theaters offered teens a wide array of perspectives on the coming-of-age experience, as well as an escape into the alternative worlds of science fiction and horror. Youth films remained a popular and profitable genre through the 1990s, offering teens a place to reflect on their evolving identities from adolescence to adulthood while simultaneously shaping and maintaining those identities. Drawing examples from hundreds of popular and lesser-known youth-themed films, Timothy Shary here offers a comprehensive examination of the representation of teenagers in American cinema in the 1980s and 1990s. He focuses on five subgenres—school, delinquency, horror, science, and romance/sexuality—to explore how they represent teens and their concerns, how these representations change over time, and how youth movies both mirror and shape societal expectations and fears about teen identities and roles. He concludes that while some teen films continue to exploit various notions of youth sexuality and violence, most teen films of the past generation have shown an increasing diversity of adolescent experiences and have been sympathetic to the particular challenges that teens face.

The Logic of Sexuation Bloomsbury Publishing

Was Jesus a Cynic? Cynicism and Christianity in Antiquity is a literary tour de force analyzing and refuting the hypothesis that Jesus was a Cynic. Marie-Odile Goulet-Cazé examines the arguments submitted by some New Testament scholars who believe that Jesus and his disciples were influenced by the ethics

and social behaviors of itinerant Cynic preachers. In examining the "Cynic Jesus hypothesis," Goulet-Cazé offers a reliable, accessible, and fully documented summary of Cynicism and its ideas, from Diogenes to the Imperial Period, and she investigates the extent and nature of contact between Cynics and Jewish people, especially between 100 BCE and 100 CE. While recognizing similarities between the ideas and morals of ancient Cynicism and those evident in early Christian movements, Goulet-Cazé identifies more significant, fundamental differences between them in culture, theology, and worldview.

Clipped Wings Sheba Blake Publishing Corp.

Novelist, playwright, film actor, martial artist, and political commentator, Yukio Mishima (1925-1970) was arguably the most famous person in Japan at the time of his death. Henry Scott Stokes, one of Mishima's closest friends, was the only non-Japanese allowed to attend the trial of the men involved in Mishima's spectacular suicide. In this insightful and empathetic look at the writer, Stokes guides the reader through the milestones of Mishima's meteoric and eclectic career and delves into the artist's major works and themes. This biography skillfully and compassionately illuminates the achievements and disquieting ideas of a brilliant and deeply troubled man, an artist of whom Nobel Laureate Yasunari Kawabata had said, "A writer of Mishima's caliber comes along only once every two or three hundred years."

The Baller Taylor & Francis

A thorough exploration of diversity and social justice within the field of social work *Multicultural Social Work Practice: A Competency-Based Approach to Diversity and Social Justice*, 2nd Edition has been aligned with the Council on Social Work Education's 2015 Educational Policy and Standards and incorporates the National Association of Social Workers Standards of Cultural Competence. New chapters focus on theoretical perspectives of critical race theory, microaggressions and changing societal attitudes, and evidence-based practice on research-supported approaches for understanding the influence of cultural differences on the social work practice. The second edition includes an expanded discussion of religion and spirituality and addresses emerging issues affecting diverse populations, such as women in the military. Additionally, Implications for Multicultural Social Work Practice' at the end of each chapter assist you in applying the information you have learned. *Multicultural Social Work Practice*, 2nd Edition provides access to important guidance regarding culturally sensitive social work practice, including the sociopolitical and social justice aspects of effective work in this field. This thoroughly revised edition incorporates new content and pedagogical features, including: Theoretical frameworks for multicultural social work

practice Microaggressions in social work practice Evidence-based multicultural social work practice New chapter overviews, learning objectives, and reflection questions *Multicultural Social Work Practice*, 2nd Edition is an integral guide for students and aspiring social workers who want to engage in diversity and difference.

The Hating Game Routledge

This integrative book is like having a wise supervisor in the room with you. Stop "fixing" your clients—engage them in their own healing through the Four-Dimensional Wheel of Sexual Experience. Gina Ogden guides you in helping your clients explore the full range of their sexual issues and challenges—including couple communication, erectile dysfunction, vaginismus, low desire, affairs, trauma, religious proscriptions, pornography use, and more. Part I offers strategies that correspond to the core knowledge areas required for certification as a sexuality professional, while Part II puts these innovative approaches into action through following five case examples from seasoned practitioners. The numerous user-friendly elements, such as quizzes, worksheets, and "hot tips," will help you see the larger picture of an issue, become fluent with a diversity of sexual identities and behaviors, and expand your ability to offer safe, ethical, evidence-based therapy.

Gossip, Sexuality and Scandal in France (1610-1715) State University of New York Press

Challenges essentialist notions of gender through a detailed account of Lacan's theories of gender, sexuality, and sexual difference.

Exploring Desire and Intimacy Walter de Gruyter GmbH & Co KG

Now a movie starring Lucy Hale and Austin Stowell, USA Today bestselling author Sally Thorne's hilarious and sexy workplace comedy all about that thin, fine line between hate and love. *Nemesis* (n.) 1) An opponent or rival whom a person cannot best or overcome. 2) A person's undoing 3) Joshua Templeman Lucy Hutton and Joshua Templeman hate each other. Not dislike. Not begrudgingly tolerate. Hate. And they have no problem displaying their feelings through a series of ritualistic passive aggressive maneuvers as they sit across from each other, executive assistants to co-CEOs of a publishing company. Lucy can't understand Joshua's joyless, uptight, meticulous approach to his job. Joshua is clearly baffled by Lucy's overly bright clothes, quirkiness, and Pollyanna attitude. Now up for the same promotion, their battle of wills has come to a head and Lucy refuses to back down when their latest game could cost her her dream job...But the tension between Lucy and Joshua has also reached its boiling point, and Lucy is discovering that maybe she doesn't hate Joshua. And maybe, he doesn't hate her either. Or maybe this is just another game.
