Is love enough to pull two drowning men back from the edge of darkness? No one will love you. Tek Ng has heard that statement his entire life, and after all he's been through, he believes it. The tortured reality of who he is wars with everything else in his world. He's got a fiancée he doesn't want, a family legacy he wants to escape, and unrequited love so unavoidable he descends into sexual depravity with the last person he should. Tek is drowning, but he's not sure he wants to be saved. Quinn Storm hides in his quiet house, afraid of his shadow and his memories. At one time he had a husband and a life, but that was snatched away in a violent attack. Hardly daring to live, Quinn is alive only because he's too scared to end it all himself. He's drowning and wants no chance at being saved. A favor for a friend brings these two men together just in time for Tek to watch Quinn unravel. Quinn quickly becomes the most important thing in Tek's life, but can he trust Quinn to love him once he realizes what Tek is hiding? Just as they reach for each other, their reprieve is shattered by Tek's demons, leaving Quinn with the realization that he's not the only one in need of saving. Warning: Contains references to self-harm, rape and sexual abuse/assault. Tek and Quinn's story begins in (Watch Me) Body You and continues through (Watch Me) Unmask You, so you'll get to revisit some familiar scenes, only this time in either man's POV.

This ebook bundle contains the first four novels of the Thaddeus Lewis Mystery series. During the wild era before Confederation, Thaddeus Lewis, a "saddlebag" preacher, mourns the mysterious death of his daughter Sarah as he rides to his new posting in Prince Edward County. But soon other deaths hang over Lewis's head. And the list of suspects is growing ... "A four star selection that will be loved by all mystery fans." — Suspense Magazine "Kellough does a fine job of bringing life to the times and to her ministerial hero on horseback." — The National Post Includes: The Burying Ground — Thaddeus Lewis Mystery #4 (NEW!) Thaddeus reunites with an old friend in less-than-cheerful circumstances to catch a grave robber who is preying on a vagrants' cemetery and stealing more than bodies. The two soon find themselves entangled in a mystery that stretches back to the typhus epidemic of 1847, and the legacy of a scandal many would prefer left buried. 47 Sorrows — Thaddeus Lewis Mystery #3 In 1847 "Black" 100,000 Irish emigrants are fleeing to Canada. When a corpse washes up naked but for a small green ribbon, the mystery exposes a vendetta that began in Ireland. Sowing Poison — Thaddeus Lewis Mystery #2 The wife of a vanished man begins to hold seances for villagers, claiming she can contact the dead. Thaddeus's ethical objections propel him on a twisted path. On the Head of a Pin — Thaddeus Lewis Mystery #1 With a serial killer loose in Upper Canada, Lewis must track the culprit across a colony convulsed by invasion and fear. His only clues are a Book of Proverbs and a small painted pin left with the victims.

In appreciation of the new role that the Hebrew language has begun to play, many secondary schools, colleges and adult institutes throughout the United States have introduced instruction in

modern Hebrew as a regular part of the curriculum. The authors, therefore, have prepared this basic beginners' text in Hebrew in the hope of filling a genuine need for a text which would incorporate the best features of modern language pedagogy. The authors have sought to emphasize the following aims: spoken Hebrew, reading, grammar. - Preface.

This memoir of "a happy childhood in rural Missouri just before the digital revolution [is] a sweet record of a time and a place that was not Always On." —St. Louis Post-Dispatch Spanning one year of the author's life—1984—I Will Not Leave You Comfortless is the intimate memoir of a young boy coming to consciousness in small-town Missouri. The year will bring ten-year-old Jeremy first loves, first losses, and a break from the innocence of boyhood that will never be fully repaired. For Jeremy, the seeming security of his life on the family farm is forever shaken by the life-altering events of that pivotal year. Throughout, he recalls the deeply sensual wonders of his rural Midwestern childhood—bicycle rides in September sunlight; the horizon vanishing behind tall grasses—while stories both heart-wrenching and humorous, tragic and triumphant, Jackson weaves past, present, and future into the rich Missouri landscape. "I could smell the mulberries crushed underfoot and the sweet steam of the cinnamon roll Grandma heated in the toaster oven just for Jeremy, hear the ever-increasing volume of an approaching late-spring storm . . . The year of Jeremy Jackson's life on which he meditates in I Will Not Leave You Comfortless marked his transition from the perfect happiness of childhood to the much more complex reality of adulthood. It records, as well, the abiding comfort that remains—family, home and love." —Wichita Eagle "Jackson writes about Missouri as the young Hemingway wrote about Michigan: with a clear eye; with hard-edged nostalgia; and (here's the thing) with brilliance." —Darin Strauss, author of *Half a Life*

"An action packed fantasy sure to please fans of Morgan Rice's previous novels, along with fans of works such as *The Inheritance Cycle* by Christopher Paolini.... Fans of Young Adult Fiction will devour this latest work by Rice and beg for more." --The Wanderer, *A Literary Journal* (regarding *Rise of the Dragons*) A bundle of books #4 (*A FORGE OF VALOR*) and #5 (*A REALM OF SHADOWS*) in Morgan Rice's #1 Bestselling fantasy series *KINGS AND SORCERERS*, comprising 6 books. The series begins with *RISE OF THE DRAGONS* (Book #1), a free download on Amazon with over 500 five star reviews! In *A FORGE OF VALOR*, Kyra slowly returns from the verge of death, healed by Kyle's love and mysterious power. As he sacrifices for her, she regains her strength—yet not without a price. She presses Alva for the secret of her lineage, and he finally reveals all about her mother. Aidan, Motley at his side, strives to rescue his father, trapped in the perilous capital, while in the far corner of the kingdom, Merk, amazed by what he discovers in the Tower of Ur, braces himself against a massive troll invasion. Dierdre finds herself facing a full-fledged Pandesian invasion in her embattled city of Ur. In *A REALM OF SHADOWS*, Kyra finds herself in the midst of a burning capital, attacked by a host of dragons, clinging for life. With her beloved homeland destroyed, The Flames down and the trolls pouring in, Kyra must urgently quest to Marda to retrieve the magic weapon before it is too late—even if it takes her into the very heart of darkness. Duncan finds himself trapped, with the others, in the burning capital, and he uses all his wits to find his men, attempt escape, and rally his forces to regroup and attack Pandesia. Across the kingdom, Merk sails with King Tarnis' daughter through the Bay of Death as they abandon the Tower of Kos and sail for the warrior isle of Knossos. With its strong atmosphere and complex characters, *KINGS AND SORCERERS* is a sweeping saga of knights and warriors, of kings and lords, of honor and valor, of magic, destiny, monsters and dragons. It is fantasy at its finest, inviting us into a world that will live with us forever, one that appeals to all ages and genders.

Hermes is a luxury goods company that is based in Paris. It was founded in 1837. Apple has collaborated with Hermes in the production of a series of luxury watches called the Apple Watch Hermes. The Hermes brand is known for using handcrafted leather in their creative process. So, it would not be a surprise that the collaboration would involve the signature handcrafted Hermes leather as well. Paired with the state-of-the-art designs and the high-tech software systems that Apple provides, the Apple Watch Hermes seems to be the ultimate luxury watch. The latest release of the Apple Watch Hermes tops the game in the arena of smartwatches in multiple ways including the price. The first ever release of the Apple Watch Hermes smartwatch was in September of 2015. Now that it has been four years, let us have a look at how the watch has evolved over the years.

Cornell Woolrich, best known as the author of "Rear Window," is unsurpassed in his ability to create and sustain sheer suspense. In his tales of terror, ordinary people find themselves in the most extraordinary circumstances-and, as readers, we share their spine-tingling tension every step of the way. Collected here are four of his most nail-biting novellas: *EYES THAT WATCH YOU*: Greedy Vera Miller plots her husband's murder right under the nose of her mute, paralyzed mother-in-law. After all, the old lady won't be able to tell anyone about the crime. Or will she? *THE NIGHT I DIED*: Nice guy Ben Cook, goaded by his scheming common-law wife, fakes his own suicide and moves to another

town-all to trick his life insurance company into making a large payout. No one en route or at the new address will recognize him, will they? YOU'LL NEVER SEE ME AGAI" Ed Bliss's new bride, miffed by her husband's insults about her biscuits, promises that Ed will never have to see her again-and storms out! When she doesn't return within a few days, Ed begins to suspect foul play-but when he reports the crime to the police, he's the first one they suspect! MURDER ALWAYS GATHERS MOMENTUM: For his wife's sake, Dick Paine approaches a former employer for back wages he is owed-but things go terribly wrong and the old boss ends up dead. Now the guilt-ridden Paine, who'd never before committed a crime, is convinced that people will figure out what happened. As his paranoia gathers momentum, anyone he meets is at risk of becoming his next victim.

Ranked #1 on Apple New Releases Top Charts. So, you have a new Apple Watch. A hearty congratulations to you! No doubt you've heard about messaging, email, and the health apps. The visionary Apple Watch is, at last, poised to take on the world in the Apple Watch Series 4! I want you to feel comfortable with all aspects of your watch in an environment that encourages you to learn painlessly at your own pace. My goal is to help you enjoy the wonder of discovering your Apple Watch. Along the way, I want to:

- Teach you how to use all the features of your Apple Watch. I say "all." As far as I know, I found every darned one of them but don't sue me if I missed one.
- Demonstrate the cool and awe-inspiring features of the Apple Watch. These aren't random tips and tricks. Rather, I have showcased them in a way that lets you find them while exploring a particular feature or topic.
- Help you find what you want, when you want it. The organized and detailed Table of Contents includes 200+ topics. Skip around to your heart's content.
- Inspire you with 111+ third-party apps. A few of the categories include entertainment, productivity, sports, photography, and games. We'll also cover integration platforms like IFTTT, which open up the possibility of unlimited applications.
- Focus on the engineering and Apple platforms behind the Apple Watch. The physical device includes the heart rate monitor, accelerometer, gyroscope and Apple's Force Touch technology. Behind the scenes, learn how Apple is partnering with businesses to extend their HealthKit, HomeKit, and GymKit platforms to enhance your experience for years to come.
- List 30 Common Troubleshooting and Maintenance Suggestions. This book is specifically for the Series 4 Apple Watch. While much of the content applies equally to older models, please know that I didn't attempt to cover discontinued features like "glances" or "time travel." As a final selling point, I make an intentional effort to avoid a few of my pet peeves - and those pertain to incomplete (or half-a\*\*ed) instructions. I frequently see directions such as "tap and go to settings," but they leave novice users asking, "tap where?" In another example I read, the instructions mentioned a workout playlist and how to enable it - but assumed nothing went awry (and something ALWAYS goes awry). I intend to cover those bases for you. And if I do, by chance, make the mistake of omitting a critical detail anywhere in this book, know that I was probably distracted by my Apple Watch telling me to get moving or to breathe. I apologize ahead of time; it wasn't intentional.

The Watch OS is the software that is found as the operating system of the Apple Watch which was created by Apple Inc. The system is quite similar to the original iOS system and there are similar features between the two systems. The Watch OS 4 is the fourth iteration of the software which sees many new developments in the system. There are many new updates that see users adapting to new functionality that makes the watch very favorable to use. This book will seek to explore the various features of the watchOS 4 operating system so the reader will be aware of what is available. *Roderick Hume* A. J. Cornell Publications

The stage was set in September 2018. It was iPhone's big event. The day where journalist and Apple

fans alike lusted over the latest and greatest iPhone. But a funny thing happened on the way to the announcement: Apple Watch Series 4 took everyone's breath away! The Apple Watch has, of course, been around for three years and seen several updates. But 2018 was different: the watch was finally ready for the masses. This wasn't a watch for early adopters or fitness buffs--this was the watch your parents and grandparents would get behind. In addition to all the great features Apple Watch has always had, series 4 is slimmer (yet with a screen that is somehow bigger), has optional cellular for making phone calls and streaming music without your phone, and drop detection (so if you fall and can't get up, the fire department is dispatched to your location). Everything about it was designed to motivate you to be more active. As amazing as all the new features are, it's not quite as easy to use as an iPhone; the lack of buttons, the smaller screen, and general UI can make a frustrated initial experience. The point of this book is to help new Apple Watch users (and users updating to Watch OS 6 from an older device) get the most out their investment. Are you ready to start enjoying your new Apple Watch? Then let's get started! Note: This book is not endorsed by Apple and should be considered unofficial.

Educators know that problem-based learning answers that perennial student question: "When will I ever use this in real life?" Faced with a meaty problem to solve, students finally "get" why they need to learn the content and are energized to do so. But here's the exciting part: problem-based learning doesn't require weeks of study or an end-of-year project. In this book, Brian Pete and Robin Fogarty show how you can use problem-based learning as a daily approach to helping students learn authentic and relevant content and skills. They explain how to engage students in each of the seven steps in the problem-based learning model, so students learn how to develop good questions, launch their inquiry, gather information, organize their information, create evidence, present their findings, and assess their learning. Using practical examples, they also describe how to help students master these seven important thinking skills: develop, analyze, reason, understand, solve, apply, and evaluate. To put all this in context, the authors offer seven "PBL in a Nutshell" lessons that can easily be incorporated in a single classroom period. Depth of thinking and ease of implementation--this is problem-based learning at its best.

Volume Four of Noël Coward's plays contains a selection of Coward's plays from the thirties and forties which includes *Blithe Spirit*, a comedy that centres around the spirit medium Madame Arcati. The play that mocks sudden death was produced at precisely the moment when bombs were bringing it to Britain "I shall ever be grateful, for the almost psychic gift that enabled me to write *Blithe Spirit* in five days during one of the darkest years of the war." The play was for years the longest-running comedy in the history of British theatre. *Present Laughter* follows the life of Garry Essendine, a world-weary, middle-aged projection of the dilettante, debonair persona - self-obsessed and dressing-gowned who struts through the play like an educated peacock. It is a comedy about the 'theatricals' that Noël best knew and loved, and was originally a star vehicle for himself. It is the closest to an autobiographical play that Coward ever wrote. *This Happy Breed* is a saga of a lower middle-class family; and three shorter pieces from *Tonight at 8.30* - is a farce set in the South of France, and serves as an oblique tribute to Frederick Lonsdale; *The Astonished Heart* is about the decay of a psychiatrist's mind through personal sexual obsession. *Red Peppers*, which closes the volume, was a cynical tribute to the lost music halls of the First World War.
