**NCERT Exemplar Problems-Solutions  
MATHEMATICS class 7th** Speedy Publishing LLC

Learning Mathematics - Class 9 has been written by Mr. M.L. Aggarwal (Former Head of P.G. Department of Mathematics, D.A.V. College, Jalandhar) in accordance with the latest term-wise Syllabus and Guidelines issued by the CBSE on Comprehensive and Continuous Evaluation. The subject matter contained in this book has been explained in a simple language and includes many examples from real life situations. Carefully selected examples consist of detailed step-by-step solutions so that students get prepared to tackle all the problems given in the exercises. Questions in the form of Fill in the Blanks, True/False Statements and Multiple Choice Questions have been given under the heading 'Mental Maths'. In addition to normal questions, some

'Higher Order Thinking Skills (HOTS )' questions have been given to enhance the analytical thinking of the students. A 'Chapter Test' has been put in the end of each chapter which serves as the brief revision of the entire chapter. Term-wise Model Question Papers for Formative and Summative Assessments have been given at proper places.

Moral values play an important role in moulding the attitude and approaches of children in their life. Moral values help the children go through the entire cycle of life as good human beings. So it is

vital to impart moral values to children. Moral Stories comprises 30 amazing, educative and heart-touching stories with a moral at the end of each story, which will explain the importance and usefulness of moral values in life. Here you will find fun and education at the same place. With awesome illustrations in four-colour this book brings stories to life in an imaginative and soothing way. Read to your children (and to yourself as well) and help them improve their imagination and mould their life in a better way. A well-chosen companion for every child!

*Physical Education Class 12* S. Chand Publishing

Understanding Mathematics is a carefully written series of mathematics to help students encourage the study of mathematics in the best interactive form. It contains ample practice material, attractive illustrations and real-life examples for the students to relate the topics with their everyday life. Special care has been taken while teaching topics like geometry and probability to the students. Keeping in mind the development status and comprehension level of students, the text has been presented in a well graded manner.

**Learning Elementary Physics for Class 6** S. Chand Publishing

Did you know that the Trinity often

turned to goddesses to defeat the asuras? Did you know that the first clone in the world was created by a woman? The women in Indian mythology might be fewer in number, but their stories of strength and mystery in the pages of ancient texts and epics are many. They slayed demons and protected their devotees fiercely. From Parvati to Ashokasundari and from Bhamati to Mandodari, this collection features enchanting and fearless women who frequently led wars on behalf of the gods, were the backbone of their families and makers of their own destinies. India's much-loved and bestselling author Sudha Murty takes you on an empowering journey -through the yarns forgotten in time-abounding with remarkable women who will remind

you of the strong female influences in your life.

Questions are the root cause of success. The more new & authentic questions you will have, the more new & authentic knowledge you will have. Considering this fact, the Department of Education in Science & Mathematics (DESM) with an aim to improve the quality of teaching/learning process in schools has made an attempt to develop resource books of Exemplar Problems in different subjects at secondary and higher-secondary stage. These specialized resource books named NCERT Exemplars

are not meant to serve merely as question banks for examinations but are primarily meant to discourage rote learning. The first and the only books of its kind by Arihant Publications is an attempt at providing comprehensive guide to NCERT Exemplar Problems-Solutions for Class 6th to 12th. The present book for Class 7th Science contains different types of questions of varying difficulty level. Also detailed explanation for comprehensive understanding has been given for all objective and subjective problems. The present book has been divided into 18 chapters namely Nutrition in Plants, Nutrition in Animals, Fibre to Fabric, Heat, Acids, Bases & Salts, Physical & Chemical Changes, Weather, Climate & Adaptation of Animals to Climate, Wind,

Storm & Cyclone, Soil, Respiration in Organisms, Transportation in Animals & Plants, Reproduction in Plants, Motion & Time, Electric Current & Its Effects, Light, Water: A Precious Resource, Forests: Our Lifeline and Wastewater Story. The problems provided in the book will test comprehension, information recall, analytical thinking and problem-solving ability, creativity and speculative ability. Detailed explanation has been provided for all objective and subjective problems covered in the book. The book will also be highly useful for school examinations and to build foundation for entrance examinations. As the book contains detailed and comprehensive solutions for NCERT Exemplar problems for Class 7th Science, it for sure will act as a catalyst in helping discourage rote learning.
