Through many years of research, Bill Deane has documented 260 successful hidden-ball tricks—putting the rarity of the play roughly in the class of the no-hitter. Along the way, he has collected the often-hilarious stories of these plays and the men who pulled them.

Goddess of Anarchy Fordham Univ Press

Down through hundreds of years of history, legends, events, traditions, stories, romantic tales, heroic actions in battles, beliefs, and pathetic happenings have been passed down to future generations through poems adapted for singing. This tradition of handing down these legends, beliefs and stories in this manner accelerated in many countries during tragic and momentous periods of upheaval and turmoil. This was especially true during the North-South conflict of 1861-1865 in the War Between the States. This work consists of an extensively researched compilation of many ballads which reflect the people's feelings, wartime patriotism, fears, sorrow, suffering, sentimentalism, and weariness of war during the most tumultuous period in American history.

A revista MotoPremium é voltada ao admirador de motocicletas de grande cilindrada. Buscamos sempre oferecer conteúdo de interesse de todas as tribos de motociclistas, dos aficionados pela velocidade e adrenalina das motos esportivas até aos aventureiros de longo curso, passando pelos amantes das longas viagens em grupos nas belíssimas motos estradeiras e os usuários de scooters, uma solução inteligente de transporte cada vez mais adotada nos centros urbanos. A cada edição apresentamos testes, avaliações e apresentações técnicas de cerca de dez modelos, em média, sempre com motores de cilindrada superior a 300 cc. Aqui você encontra a avaliação dos mais experientes pilotos e jornalistas, com total independência e critérios bem claros, das motos de sonho de todo o mundo. Além disso, cada novo número de MotoPremium traz reportagens sobre a história do motociclismo, os grandes pilotos de competição do passado e do presente, sugestões de oficinas especiais de customização e de reparação de motos sofisticadas, além de perfis e entrevistas com celebridades do mundo motociclístico e de colecionadores de modelos históricos.

Air War Over South Vietnam, 1968-1975 Silvana Editoriale

A New York Times, Wall Street Journal, and USA Today bestseller! The final book in the Rose Gardner Mystery series. Rose Gardner should be celebrating the arrest of her fiercest enemy, J.R. Simmons. But problems are like weeds—pluck one and five more spring up. Rose's boyfriend is on the verge of leaving her for good, her best friend, Neely Kate, is grappling with marriage problems, and her sister has a devastating secret. To make matters worse, she discovers J.R. Simmons has not been neutralized. His network of allies and henchman extends further than she suspected, and J.R.'s so intent on revenge, his lackeys might just destroy Fenton County to get it for him. But the girl

who once spent her days alone and afraid is now a strong, independent woman with a network of her own, including Neely Kate, Skeeter Malcolm—the reigning king of the Fenton County underworld—and other loyal friends on both sides of the law. Racing against time, they must dig up J.R.'s empire by the roots, unmasking his allies and unearthing his secrets, both the behind-the-scenes manipulation he's been orchestrating in Fenton County for decades and the dark stains of his personal life. If Rose succeeds, she tells herself the quiet and peaceful life she once dreamed of will be at the end of the tunnel. But her quest to destroy J.R. will require her to explore the person she has become, what she wants, and what that means for her future.

OWN YOUR MORNING, ELEVATE YOUR LIFE Legendary leadership and elite performance expert Robin Sharma introduced The 5 AM Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their

serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5 AM Club* will walk you through: ■ How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements ■ A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day ■ A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth ■ A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed ■ “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world

ROBIN SHARMA is a globally respected humanitarian. Widely considered one of the world's top leadership and personal optimization advisors, his clients include famed billionaires, professional sports superstars and many Fortune 100 companies. The author's #1 bestsellers, such as *The Monk Who Sold His Ferrari*, *The Greatness Guide* and *The Leader Who Had No Title* are in over 92 languages, making him one of the most broadly read writers alive today. A portion of the proceeds of this book will go to The Robin Sharma Foundation for Children to help kids in need live better lives. “Robin Sharma's books are helping people all over the world lead great lives.”

On the surface, identity politics appears to promote polarization. To the contrary, political scientist Jose E. Cruz argues that, instead, fragmentation and instability are more likely to occur only when the differences are ignored and nonethnic strategies are employed. Cruz illustrates his claim by focusing on one group of Puerto Ricans and how they mobilized to demand accountability from political leaders in Hartford, Connecticut. The activities of the Puerto Rican Political Action Committee from 1983 to 1991 illustrate the power of ethnic mobilization and strategy in an urban setting. Cruz examines their insistence on their right to be included in the political process in the context of both a typical mid-sized American city and the unique attributes of Hartford's predominantly white-collar population. At the same time, this study acknowledges the limitations of the exercise of such power in the political process. Through extensive interviews Cruz brings to light the variety of ways in which politicians and political activists themselves view their own activities and achievements. This group of Puerto Rican activists attempted to penetrate the power structure of Hartford. Though their success was limited, their work constitutes a springboard for further change.

The *Watchmen Companion* collects for the first time long-out-of-print, rarely seen material based on the landmark comic book series! The *Watchmen Companion* includes the *Watchmen: Watching the Watchmen* and *Watchmen: Taking out the Trash* game modules, along with the *Watchmen Sourcebook*, released in 1990 as part of the DC Heroes role-playing game-sanctioned by Alan Moore, including illustrations by artist Dave Gibbons created especially for the game, and expanding on the mythos of the *Watchmen* series. This volume also collects pages from *Who's Who* in The DC Universe featuring the *Watchmen* and *Minutemen* characters, *The Question #17* (guest-starring Rorschach!) and a page from the rare, promotional DC *Spotlight #1* from 1985 that marked the very first appearance of the *Watchmen* cast in print! In the informative, entertaining, and generously illustrated *Spartak Moscow*, a book that will be cheered by soccer fans worldwide, Robert Edelman finds in the stands and on the pitch

keys to understanding everyday life under Stalin, Khrushchev, and their successors. Millions attended matches and obsessed about their favorite club, and their rowdiness on game day stood out as a moment of relative freedom in a society that championed conformity. This was particularly the case for the supporters of Spartak, which emerged from the rough proletarian Presnia district of Moscow and spent much of its history in fierce rivalry with Dinamo, the team of the secret police. To cheer for Spartak, Edelman shows, was a small and safe way of saying "no" to the fears and absurdities of high Stalinism; to understand Spartak is to understand how soccer explains Soviet life. Champions of the Soviet Elite League twelve times and eleven-time winner of the USSR Cup, Spartak was founded and led for seven decades by the four Starostin brothers, the most visible of whom were Nikolai and Andrei. Brilliant players turned skilled entrepreneurs, they were flexible enough to constantly change their business model to accommodate the dramatic shifts in Soviet policy. Whether because of their own financial wheeling and dealing or Spartak's too frequent success against state-sponsored teams, they were arrested in 1942 and spent twelve years in the gulag. Instead of facing hard labor and likely death, they were spared the harshness of their places of exile when they were asked by local camp commandants to coach the prisoners' football teams. Returning from the camps after Stalin's death, they took back the reins of a club whose mystique as the "people's team" was only enhanced by its status as a victim of Stalinist tyranny. Edelman covers the team from its days on the wild fields of prerevolutionary Russia through the post-Soviet period. Given its history, it was hardly surprising that Spartak adjusted quickly to the new, capitalist world of postsocialist Russia, going on to win the championship of the Russian Premier League nine times, the Russian Cup three times, and the CIS Commonwealth of Independent States Cup six times. In addition to providing a fresh and authoritative history of Soviet society as seen through its obsession with the world's most popular sport, Edelman, a well-known sports commentator, also provides biographies of Spartak's leading players over the course of a century and riveting play-by-play accounts of Spartak's most important matches-including such highlights as the day in 1989 when Spartak last won the Soviet Elite League on a Valery Shmarov free kick at the ninety-second minute. Throughout, he palpably evokes

what it was like to cheer for the "Red and White." For historic film of Spartak Moscow playing against the Wolverhampton Wanderers (the "Wolves") in 1954 and 1955, click here: <https://www.britishpathe.com/record.php?id=38828> and here: <https://www.britishpathe.com/record.php?id=39604>

Spartak Moscow New York, N.Y. : Facts on File Publications
As divorce attorney Blair Hansen's wedding approaches, she finds herself remembering her law school boyfriend, the only man she's ever loved, and regretting what might have been. Then a twist of fate lands Garrett Lowry back in her life, making her question everything. Garrett is a divorce attorney who's ready to settle down, but can't find a woman who suits him nearly as well as the one he loved and lost. As destiny keeps throwing them together, he ends up involved in her life in Kansas City, Missouri, and he's convinced it's a sign they should give their love a second chance.

Folklife Center News Cornell University Press
From a prize-winning historian, a new portrait of an extraordinary activist and the turbulent age in which she lived Goddess of Anarchy recounts the formidable life of the militant writer, orator, and agitator Lucy Parsons. Born to an enslaved woman in Virginia in 1851 and raised in Texas-where she met her husband, the Haymarket "martyr" Albert Parsons-Lucy was a fearless advocate of First Amendment rights, a champion of the working classes, and one of the most prominent figures of African descent of her era. And yet, her life was riddled with contradictions-she advocated violence without apology, concocted a Hispanic-Indian identity for herself, and ignored the plight of African Americans. Drawing on a wealth of new sources, Jacqueline Jones presents not only the exceptional life of the famous American-born

anarchist but also an authoritative account of her times-from slavery through the Great Depression.

While Jackie Robinson's 1947 season with the Brooklyn Dodgers made him the first African American to play in the Major Leagues in the modern era, the rest of Major League Baseball was slow to integrate while its Minor League affiliates moved faster. The Pacific Coast League (PCL), a Minor League with its own social customs, practices, and racial history, and the only legitimate sports league on the West Coast, became one of the first leagues in any sport to completely desegregate all its teams. Although far from a model of racial equality, the Pacific Coast states created a racial reality that was more diverse and adaptable than in other parts of the country. The Integration of the Pacific Coast League describes the evolution of the PCL beginning with the league's differing treatment of African Americans and other nonwhite players. Between the 1900s and the 1930s, team owners knowingly signed Hawaiian players, Asian players, and African American players who claimed that they were Native Americans, who were not officially banned. In the post-World War II era, with the pressures and challenges facing desegregation, the league gradually accepted African American players. In the 1940s individual players and the local press challenged the segregation of the league. Because these Minor League teams integrated so much earlier than the Major Leagues or the eastern Minor Leagues, West Coast baseball fans were the first to experience a more diverse baseball game.

Metal Worker, Plumber and Steam Fitter
Showcasing research from across the social sciences, this edited volume seeks to provide readers with an empirically grounded sense of how many lesbian, gay, bisexual, and transgender (LGBT) people marry in the US and Canada, what their marriages look like, and how LGBT people themselves are impacted by marriage and marriage equality. Prior to marriage equality,

lawmakers and activists across the political spectrum debated whether same-sex couples should have the legal right to marry, and likewise, academic research to date has focused mostly on the politics of same-sex marriage. However, this edited volume focuses on LGBT people themselves and their intimate relationships in the era of marriage equality. Including both quantitative and qualitative social science research, it features 14 primary chapters that examine a diverse set of topics, including demographic patterns in same-sex marriage and cohabitation, marital aspirations and motivations among LGBT people, arrangements and dynamics within same-sex relationships, and the legal benefits and informal privileges associated with marriage. The edited volume will be of interest to scholars across a wide range of disciplines, including sociology, psychology, child and family studies, communications, social work, and economics, while also offering valuable information for laypeople generally interested in families and/or LGBT studies.

Replete with both biographical and analytical information, Howard Bossen's book reintroduces the important work of photographer Luke Swank.

[Threshermen's Review](#)
On May 4, 1886, a bomb exploded at a Chicago labor rally, wounding dozens of policemen, seven of whom eventually died. A wave of mass hysteria swept the country, leading to a sensational trial, that culminated in four controversial executions, and dealt a blow to the labor movement from which it would take decades to recover. Historian James Green recounts the rise of the first great labor movement in the wake of the Civil War and brings to life an epic twenty-year struggle for the eight-hour workday. Blending a gripping narrative, outsized characters and a panoramic portrait of a major social movement, *Death in the Haymarket* is an important addition to the history of American capitalism and a moving story about the class tensions at the heart of Gilded Age America.
