Reading for Storyness Jaico Publishing House

The short story has been a staple of American literature since the nineteenth century, taught in virtually every high school and consistently popular among adult readers. But what makes a short story unique? In *Reading for Storyness*,

Susan Lohafer, former president of the Society for the Study of the Short Story, argues that there is much more than length separating short stories from novels and other works of fiction. With its close readings of stories by Kate Chopin, Julio Cortázar, Katherine Mansfield, and others, this book challenges assumptions about the short story and effectively redefines the genre in a fresh and original way. In her analysis, Lohafer combines traditional literary theory with a more unconventional mode of research, monitoring the reactions of readers as they progress through a story—to establish a new poetics of the genre. Singling out the phenomenon of "imminent closure" as the genre's defining trait, she then proceeds to

identify "preclosure points," or places where a given story could end, in order to access hidden layers of the reading experience. She expertly harnesses this theory of preclosure to explore interactions between pedagogy and theory, formalism and cultural studies, fiction and nonfiction. Returning to the roots of storyness, Lohafer illuminates the intricacies of classic short stories and experimental forms of surreal, postmodern, and minimalist fiction. She also discusses the impact of social constructions, such as gender, on the identification of preclosure points by individual readers. *Reading for Storyness* combines cognitive science with literary theory to present a compelling argument for the uniqueness of the short story.

OVER A MILLION COPIES OF THE IRON DRUID BOOKS SOLD 'American Gods meets Jim Butcher's Harry Dresden' SFF World Kevin Hearne creates the ultimate Atticus O'Sullivan adventure in the grand finale of the New York Times bestselling Iron Druid Chronicles. Unchained from fate, the Norse gods Loki and Hel are ready to unleash Ragnarok, a.k.a. the Apocalypse, upon the earth. With a whole host of dark allies on their side, there's a globe-spanning battle on the cards - one which Druid Atticus O'Sullivan will be hard-pressed to survive, much less win. Atticus must recruit the aid of an Indian witch and a trickster god in hopes that they'll give

him just enough leverage to both save Gaia and see another sunrise. After all - if the world ends, who's going to make sure the hound Oberon gets his well-deserved snack? Praise for the Iron Druid Chronicles: 'Atticus and his crew are a breath of fresh air! . . . I love, love, love this series' My Bookish Ways 'Entertaining, steeped in a ton of mythology, populated by awesome characters' Civilian Reader 'This is one series no fantasy fan should miss. Mystery, suspense, magic and mayhem' SciFiChick The Iron Druid Chronicles Hounded Hexed Hammered Tricked Trapped Hunted Shattered Staked Scoured Besieged (short stories) HAVE YOU TRIED... Kevin Hearne's new adventure set in the world of the Iron Druid Chronicles, INK & SIGIL - described

by Booklist as 'a new action-packed, enchantingly fun series' . . . Kevin Hearne's epic fantasy novel A PLAGUE OF GIANTS - described by Delilah S. Dawson as 'a rare masterpiece that's both current and timeless . . . merging the fantasy bones of Tolkien and Rothfuss with a wide cast of characters who'll break your heart'. Out now! [Garde Manger](#) Kalmbach Publishing, Co. Illustrations: 31 Figures Description: The present work is a masterful compilation which, from its nature and scope, and from the method followed in its preparation, exhibits that it is not merely a dictionary, but it is in fact more than that. Arranged alphabetically, this dictionary has been conceived on a large scale and written by a deft hand. The work is divided into two volumes.

Volume I deals with India and the Middle East and contains 2250 titles, and volume II deals with China and Japan and has 1500 titles, and together they cover the vast field of Oriental philosophy, encompassing all human experiences and disciplines. Captured in the pages of this monumental work are the lives of the prophets, social and religious reformers, Asian philosophies and spiritual disciplines of the living faiths of the east. The dictionary is destined to be welcomed as an exhaustive work on comparative religion also, inasmuch as it covers the whole ground of Oriental philosophy and its tangents. The entire volume is a combination of scholarly knowledge and spiritual awareness; their importance therefore is both to scholars and seekers of truth. There is perhaps no

other work on record that accomplishes both ends—the propounding of the custom of the peoples of the Orient and an insight into their spiritual ideals both ancient and modern. All in all, the Dictionary of Oriental Philosophy may be judged to have been written by a hand of master dialectician with perception and exactitude.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood. The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for

parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to

raise an adult with whom you have an enduring, profound connection.

'One of Ours' is Willa Cather's Pulitzer

prize-winning story about life on the American frontier. The country teeters on the brink of World War I and Claude Wheeler finds himself a conflicted man. The son of a successful farmer, Wheeler is unhappy, despite a comfortable life and guaranteed fortune. A pious mother, demanding father and loveless marriage push the young idealist to a new and bloodier frontier. As America enters the war, Claude Wheeler is about to find what he's been searching for all his life. Willa Cather's acclaimed novel is an examination of the changing American frontier and the making of a soldier. Willa Cather (1873-1947), was an American Pulitzer prize-winning writer who won acclaim for her novels that captured the American pioneer experience. Her books include 'O

Pioneers!' (1913), 'The Song of the Lark' (1915), 'My Ántonia' (1918) and Death Comes for the Archbishop (1927) which was an instant critical success. In 1923, Cather gained widespread international acclaim when she was awarded the Pulitzer Prize for 'One of Ours', a novel set during World War I. Willa Cather was granted honorary degrees by Princeton, Berkeley and Yale and in 1931 she was honoured with the cover of 'Time Magazine'. The American Academy of Arts and Letters awarded her a gold medal for fiction in 1944.

Architecture for the Poor Gibbs Smith

Troy and Vincent begin their lives together on the elementary school playground. Their bond - the simplest and purest of friendships - is no match for looming 1970s racism and social

mores. All too soon the thread that connects them gets stretched, and it snaps. Decades unfold. The chasm between the two men hopelessly widens. Mired in a world that tells them they are never good enough, they hurt others. They hurt themselves. Can lives this far apart ever come together? 4-Star-Rated by IndieReader: "Connected in life by a small school in Seattle, four people with divergent backgrounds navigate the challenges of childhood and the grander scales of adult life. Vincent and Troy meet as boys on a playground and are separated by fate and the racist attitudes of the past. Dolores and Shirley interact with these men in different ways, and the twists and turns of these four lives span decades, with small decisions and actions causing

repercussions into the present....Author Pete KJ has written a novel that takes place largely in the past, yet the actions and attitudes of the characters mirror current perspectives on race and personal responsibility...The issues that KJ writes about in terms of race, family and love are large, but by letting his well-drawn characters drive the action the book doesn't come off as preachy or a morality tract....The elementary school setting for the beginning of the book is written evocatively-its depictions of the relationships and burgeoning romantic interests of children resemble some of Stephen King's coming-of-age novels. Featuring a diverse cast of well-written characters, *THE MAPLE LEAF* provides a thought-provoking look at recent history through the lens of a

changing friendship."--IndieReaderSee more at:
